Career counselling and guidance for competitive examinations in the year 2020-21

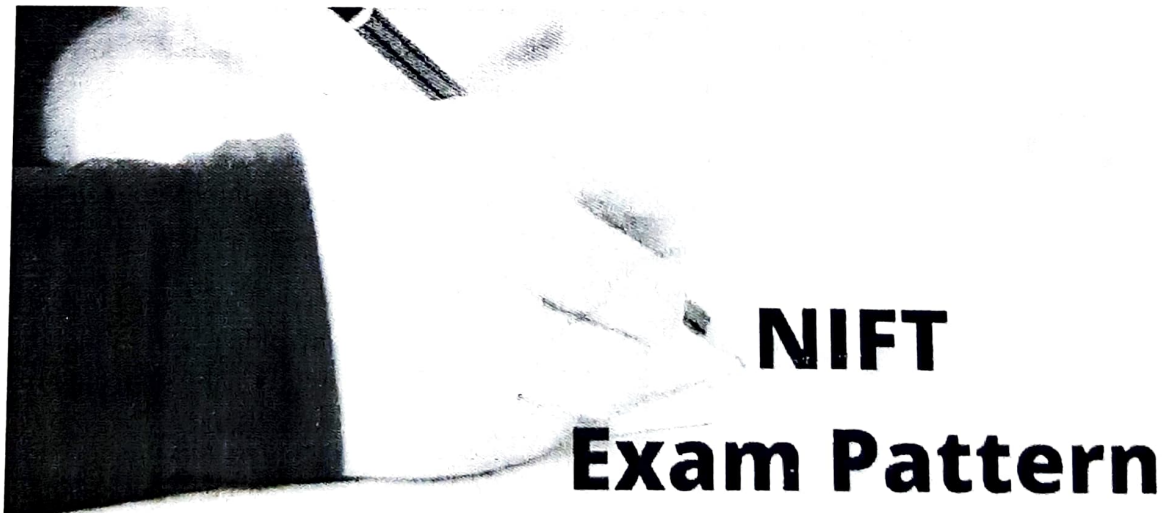

A Career Counselling session was organized for the students of Fashion Technology & Designing Department focusing on prepping them to crack the very prestigious, competitive and national level designing entrance exam for getting admission in the various UG & PG courses of National Institute of Fashion Technology.

Mr. Bharat Jain, teaching faculty at NIFT gave guidance and directions to students on *'How to crack NIFT entrance exam?'* The lecture covered not just the guidelines of how to crack the written exam along with the practical examination but also key pointers to be followed during interviews and Group discussions.

The students were also given print outs of NIFT admission guidelines to enable them with the info on centres, fee structure and other eligibility criteria.

The students at the end gave a very positive feedback of the entire extended lecture organized by the faculty and felt confident in attempting and making through national level competitive entrance exams with much better preparation.

About Speaker

Dr. Harish Jain
Translator, Parliament of India

Dr. Harish Jain has done his PhD from Jawaharlal Nehru University, New Delhi. He has also worked with Ministry of Home Affairs. He has translated several bestsellers for prominent publication houses and articles for reputed magazines.

About the Session

As education systems are diversifying and expanding, the creation of new jobs and opportunities are changing the way individuals make their career choices. With such changes in place, career planning has become more complex and confusing. Where formal sources of career guidance are not easily accessible, individuals tend to rely on their family and friends, leading to choices where they end up in careers they do not see a successful future in.

So, what is the way forward ? How can you make the right career decision..?
Well, our career guidance experts Dr. Harish Jain, can help you with that....
