

Mohanlal Sukhadia University, Udaipur

INSTITUTE DISTINCTIVENESS:

University pursues distinctiveness as a way of focusing on intellectual energy and using limited resources wisely. Our effort to be distinctive is in synchronization with the vision to inculcate holistic growth and development in the students. Our University is eco-friendly which is surrounded with trees. The green pastures around provides a calm & serene atmosphere for students to learn and engage themselves in research related activities. Students are sent for internships & various field work trainings and they are encouraged to take up small projects as a part of their research activities. Career guidance and Personal guidance are imparted to the students to shoulder various tasks and responsibilities and face challenges. The University aims at the holistic development of the student as per the following ways:

- STATE-OF-ART INFRASTRUCTURE AND RESEARCH LABORATORIES WITH SOPHISTICATED INSTRUMENTS
- EXPECTED RENEWABLE ENERGY GENERATION AND USE- **8.50 LAC KWH**
- SOLAR POWER PANELS IN USE
- RAIN WATER HARVESTING SYSTEM IN USE
- EFFICIENT DISPOSAL OF HAZARDOUS CHEMICAL AND E-WASTE
- BAN ON PLASTIC
- FULLY FLEXIBLE CHOICE BASED CREDIT SYSTEM
